

This year was off to another great start with September. The Aviation Diploma Program began the first week with 13 first year and 9 returning second years.

COLLEGE ICE BREAKER

We held the annual College Icebreaker on September 22, 2010 at the Penhold Regional Multiplex, having our first ever 'scavenger hunt'. This required the students and staff be split up into teams and successfully complete seven tasks. Each task was Aviation related and required the students to answer questions like "If you take off to the NW at CYQF, which runway you will be on? Minus five from this number, take this many steps, look down, and you will see your next letter."

Congratulations to the winning team.

On behalf of our students and staff – a big thanks to the Multiplex Business and Staff.

OPERATION FOOD LIFT

With September also came our 16th annual Operation Food Lift, which was a big success. Food Lift is a charity that Sky Wings puts on every year and donates it's facility, staff, and aircraft to help raise donations for the Red Deer Food Bank. We welcomed food and cash donations for the Red Deer Food Bank raising \$6,000.00 this year with the help of Shaw Cable and Campbell's Soup. There were over 160 people who came out for airplane rides over Red Deer City.

A big thanks to all our volunteers this year and to everyone who came out and made donations, this year was a lot of fun, we look forward to seeing you next year!

Wing Tips: November Issue

- Prepping winter flying
- ATAC Convention
- G/S Schedule
